

Measures for Non-Residential Office Program			
Item	Measure Name	Minimum Requirements	Incentive*
1	Schedule Lighting	<ul style="list-style-type: none"> <li>Lighting hours must be reduced by at least 30 minutes per workday</li> </ul>	Incentives for All Measures are up to \$0.04 per kWh Savings
2	Schedule HVAC	<ul style="list-style-type: none"> <li>Gas or electric heated facilities are eligible</li> <li>Unoccupied mode must shut outdoor air dampers unless the system is economizing</li> <li>Operating hours must be reduced by at least 30 minutes per workday</li> </ul>	
3	Night Temperature Setback	<ul style="list-style-type: none"> <li>Gas or electric heated facilities are eligible</li> <li>Unoccupied temperature must be set at least 2 degrees lower than current setpoint</li> </ul>	
4	Chiller Condenser Temperature Reset	<ul style="list-style-type: none"> <li>Condenser temperature must be allowed to reset at least 5 degrees lower during part-load conditions</li> </ul>	
5	Discharge Air Temperature Reset	<ul style="list-style-type: none"> <li>Electric reheat systems only</li> <li>Supply air temperature must be allowed to reset at least 2 degrees higher during part-load conditions</li> </ul>	
6	Static Pressure Reset	<ul style="list-style-type: none"> <li>HVAC system must be a variable-air-volume (VAV) system where the fan is controlled by a VFD</li> <li>Static pressure reset schedule must allow the fan to provide a lower pressure than previous setpoint</li> </ul>	
7	Dual Enthalpy Economizer Control	<ul style="list-style-type: none"> <li>Facility must be cooled</li> <li>Dual enthalpy economizer control must be implemented</li> </ul>	
8	Reduce VAV Box Minimum Position	<ul style="list-style-type: none"> <li>Gas or electric heated facilities are eligible</li> <li>HVAC system must be a variable-air-volume (VAV) system</li> <li>Average VAV box position must be reduced by at least 5 percentage points</li> </ul>	
Optional Audit for Non-Residential Office Program			
<ul style="list-style-type: none"> <li>If you require assistance identifying qualifying measures in your facility, you may choose to complete an optional audit with a participating contractor and request an audit cost reimbursement if you meet certain criteria.</li> <li>Interested customers can review the requirements with a program representative.</li> </ul>			

\*For more information, please call 1-888-366-8280. This program is available until fully subscribed. Rebate and audit incentive cannot exceed 75% of the total invoice amount. Rebate amounts are subject to modifications without notice. All measures must involve automatic controls. New construction projects are not eligible.
